Thanks to all who made our varsity tournament a success. We received many positive comments about the hospitality received from the other schools. The Boosters did a great job with concessions. Thanks to all who helped glorify God though a very snowy weekend!

Our next open house is during the school day on Tuesday, March 23. Please invite families to attend to see the school in action.

The following is a special message from Mr. Houck:

For the past nine years the Lord has given me the privilege to minister at Mentor Christian School. Our family has been blessed to have our children attend a school with teachers who are spiritually and academically equipped to meet their needs. We also have many friends who love and pray for us.

The Lord has made it clear that He desires us to move on to serve Him in other areas at the end of the school year. While the reality of this change makes each one of us very sad, we look forward to how Christ will be exalted. We know that God is in control and desires the best for our lives.

I am thankful for a school board who prayerfully considers policy and desires to obey the Lord in decision making. We have and continue to have a good relationship. I am thankful for Pastor Scheiderer and for the Lord bringing him to Bible Community Church. Pastor loves the Lord and loves MCS. I am thankful for each of you who invest in the lives of your children. Your investment will reap eternal benefits. You are our friends and we will miss you!

We desire to see Mentor Christian School grow in each area for His glory, and are thankful that you are a part of that. Christian education is a biblical mandate and Lake County is blessed to have a place where families can have their children go to help fulfill the responsibility of bringing up their children under the nurture and

admonition of the Lord. Mentor Christian School is known throughout the state and country as a quality fundamental Christian school. There is no question that our children would remain at MCS except for the fact that we are moving. May the Lord continue to grant blessings upon you as you seek to follow Him.

The following is a message from the Mentor Christian School Board:

The Board of Mentor Christian School has received Jeff Houck's letter of resignation and with regret has accepted it. To a man we believe that MCS is a better school today because of his leadership over these last nine years. We appreciate the service of Jeff and Leigh more than we can say.

The board, in consultation with Mr. Houck, has asked Mr. Davis to serve in the position of administrator, and we are pleased to announce Mr. Frank Davis has accepted that offer and will serve as the new administrator of Mentor Christian School.

As we make plans for the 2010-2011 school year, we are committed to serving you, the families of MCS and Bible Community Church, in the shared task of Christian education. The Lord has given us a balanced budget this year - for which we are grateful - in spite of a lower than expected reenrollment. Please pray with us as we work to increase both reenrollment and enrollment. In spite of the inevitable changes of the coming school year, we will be striving to minimize the impact of those changes so that we can continue to offer the quality education and programs for which MCS is known. Since we believe that God is sovereign we are anticipating the short-term and long-term future of MCS. We covet your continued prayers at this time.

Again, we appreciate Mr. Houck's service, and we wish Jeff, Leigh, Dan, Joe and Katie all God's best in their future place of growth and service in the Lord.
